Dear Geoff and Fellow Artists

I want to congratulate Incognito in putting on such a great show for Lucy and Lurch's wedding reception. It was unbelievable to watch the reaction of the unsuspecting guests when the cake was brought out, what a start, and the rest of the performance was fantastic. I think without any doubt it was the best I have ever seen.

If Incognito ever need any recommendation, myself and Lynda and 200 or so guests will be happy to oblige.

I wouldn't want to go through another wedding but it might be worth it just to see Incognito again. I guess the next time to see Incognito performing will be at the Pimlico Plumbers Christmas party. And after that it will probably be the Royal Variety Performance. Good luck!

Many congratulations once again.

Kind regards

Charlie and Lynda
